Sardar Vallabhbhai Patel

Virtual Narration on National Unity Day {Rashtriya Ekta Diwas 2023}

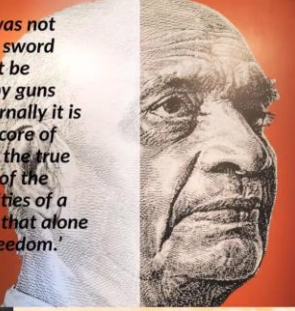

Dr S Radhakrishna

Indian Mission Hosting Talk in Chancery

'Freedom was not won by the sword and will not be protected by guns alone...Internally it is the honest care of people and the true realization of the responsibilities of a free citizen that alone can save freedom.'

~ Sardar Patel

Dr S Radhakrishna

'We are starting last struggle for independence so some persons threaten us and say that if we start the struggle, we will invite trouble. Some advice that we will be hampering war efforts. We have answers to all these threats and advice...'

Dr S Radhakrishna

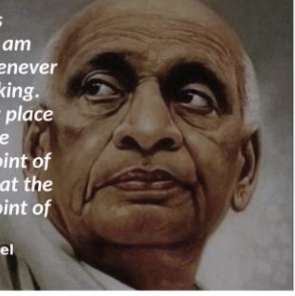

'...Our weapon is non-violence. That weapon has enhanced our prestige since the last twenty years. Your act should be nonviolent...The eyes of the world are fixed on us, and so everybody amongst us has to show to the world what and where India is...'

Dr S Radhakrishna

'Humility is essential. I am pained whenever I find it lacking. Our proper place is not at the vantage point of power but at the vantage point of service.'

~ Sardar Patel

Dr S Radhakrishna

'A leader's skill is judged by his competence in selecting his assistants. Many were prepared to follow me, but I could not make up my mind as to who should be my deputy commander. Then I thought of Vallabhbhai Patel. I must admit that when I first met Vallabhbhai, I could not help wondering who this haughty person was and whether he could be able to do what I wanted...if it were not for his assistance, this campaign could not have been carried through so successfully.'

Mahatma Gandhi

Dr S Radhakrishna

'...There is no other way. We want to be independent. We won't tolerate our slavery even for a moment.'

- Sardar Patel

Dr S Radhakrishna

Lord Mountbatten (1900-1979)

Last Viceroy & First Governor General of Free India
Mountbatten wrote on 19th June 1948 before his departure from India about Sardar Patel's leadership

'There is no doubt that by far the most important achievement of the present government is the unification of the States into Dominion of India. Had you failed in this, the result would have been disastrous... Nothing has added to the prestige of the present government than what you have followed with the States.'

Dr S Radhakrishna

Trygve Halvdan Lie
[First Secretary General of United Nations]

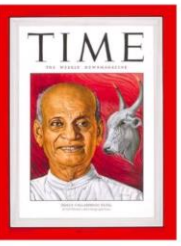

'Sardar Patel was a great leader of the world, who always remained keen for the purpose and thoughts of the United Nations.'

Dr S Radhakrishna

Time Magazine Cover story - 'The Boss' 27th January 1947

The Time Magazine cover story underlined Sardar Patel reputation overseas as one who had the unique ability to solve what appeared to the nascent India's intractable problems.
